

2009 Holiday Tour To Poland

WHAT THEY'RE SAYING.....

"Our tour guide went out of his way to help us with shopping and many other needs. And the tour's special touches were memorable, like the visit to the ornament factory and a private meeting with a Szopka Master Builder. The Wigilia Banquet was superb!"

"I have been on three of these Holiday Tours to Poland. Every aspect of the tour is so well planned and perfectly executed and there are so many extra touches. Cracow and Zakopane are beautiful, and the Szopka Competition and Awards Ceremony are simply not to be missed."

"You did an excellent job in planning our trip to Poland. It was so personal and intimate that we found it hard to believe that we were sharing our wonderful experiences with 24 other travelers. You packed so much into our 12 days and we realize that this was only because of months of pre-planning on your part."

Dzien Dobry!

I can't believe that we are celebrating our **5th Anniversary** of our annual *Holiday Tour to Poland!* As you can see in the enclosed flyer, each year our tour keeps getting better and better. And this year's tour promises to be the best ever.

This year we are offering some new events and attractions along with items that have proven to be extremely popular with our guests. Castles and palaces, visits to the popular pilgrimage shrines of Czestochowa and Lichen, a private dress rehearsal with the renowned Slask National Dance Ensemble, folklore dinners and plenty of Holiday Shopping. This year the exchange rate between the Polish zloty and the US dollar is extremely favorable and many foreigners are finding great shopping experiences in Poland.

We are also attending the wonderful Szopka Exhibition in Cracow, which is one of Europe's most interesting Holiday traditions. And, of course, we will also host our annual 12-course Wigilia Banquet, complete with the moving tradition of sharing the oplatek and a private performance of Polish Christmas Carols by one of Cracow's best folk ensembles.

I truly hope that you can join us this year. As is our usual custom, I will host a Polish "gourmet" dinner at my home for all the local tour attendees a few weeks before our departure. This has been a very popular event and helps us all get to know each other before our departure.

As the quotes on the back of this sheet indicate, our tour attendees have a wonderful time; I hope that you can join us for what is truly a very unique and wonderful experience. If you have any questions, please feel free to contact me at 412-835-0539.

Sincerely,

Dave Motak

P. S. If you can't join us this year, please pass along this flyer to a friend or relative who might be interested.

"The tour package was an incredible bargain. One of the best parts of the tour was knowing that wherever we went the accommodations or the experience would be first class. If you want to truly experience Poland, and the Polish people, take a tour with Dave Motak. You will return home with memories to last you a life time."

"Every detail was extraordinary and a wonderful celebration of our Polish Heritage. It brought back many memories of our old family traditions. We can't wait to go again."
